

Immersion cooler TK-Z

1,7 and 2,7 PS

Immersion cooler with cylindrical evaporator (available with and without heat recovery).

Excellent technique through years of experience guarantees the highest durability, excellent cooling performance and low power consumption.

Digital temperature display

Typ TK-Z	Voltage V	Drive power* [PS]	[kW]	Cooling capacity [kW]	[kcal/h]	Immersion length [mm]
1	230	1,7	1,25	2,4	2064	760
1	400	1,7	1,25	2,4	2064	oder 960
2	400	2,7	2,0	4,1	3526	

* Ambient temperature: + 32°C
 Condensation temperature: + 55°C
 Evaporation temperature: ± 0°C
